GEORGE RESIDENCE, MILL CREEK, WASH

...

INSTALLER: Perfection Roofing

Perfection Roofing installed Classic's Rustic Shingle on top of a 17-year-old wood shake roof, which was cleaned and inspected. Approximately 50 squares of Rustic Shingle, in a Caramel color, were required to complete the job. Classic Products has taken the traditional designs of wood shakes and low-profile shingles, and combined them with the long life and durability of aluminum to create unique profiles that last a lifetime.

PRODUCT: Classic Products Rustic Shingle

FINISH: Caramel Kynar 500

MATERIAL: .019 aluminum
